Residents in Vicinity of 1064 Mission

1064 Mission St.
San Francisco, CA 94103

Dear Residents,

I am writing to inform you of construction work that is to take place at 1064 Mission St. Cahill Contractors will be performing work during the hours of: **10:00PM - 6:00AM** between the dates of **4/25/2021 – 6/21/2021**, pending final coordination with authorities having jurisdiction. In order to ensure the safety and well-being of residents, along with those involved with the project, we will be taking numerous mitigating steps. These procedures will include, but are not limited to:

- Minimizing traffic on Mission and 6th St
- Designating 7th St. and Oddfellows as the temporary staging for our delivery trucks before modular units are hoisted from Stevenson
- Operate the bulk of our power tools from within our jobsite boundaries and minimize the use of power tools on Stevenson
- Utilizing noise dampening tools when applicable
- Abiding by local and state regulations

In addition to a 24-hour contact (provided above), we are designating two Cahill employees as business hour contacts:

Eddie Montoya (Superintendent) – (510) 734-3829

Eli Brown (Superintendent) – (401) 258-1534

The project owners, Mercy Housing California and Episcopal Community Services of San Francisco, have engaged a consultant, Pati Boyle, patiboyle@comcast.net who can be reached during business hours (8 a.m. to 5 p.m. Monday through Friday) at 415-722-3584 to work with you if the night noise setting is causing you disturbance. **Please contact Cahill staff Tony Pellegrini (24 Hour Contact) at the number above for issues during the night noise event."**

I want to make certain that this letter finds you in ample time to pose any questions or concerns. Please do not hesitate to reach out.

Sincerely,

Tony Pellegrini
