Dear Residents,

I am writing to inform you of work that is to take place at 600 7th Street. Cahill Contractors will be performing work during the hours of: **10:00PM - 6:00AM** between the dates of **3/25/2021 – 6/6/2021**, pending final coordination with authorities having jurisdiction. Our duties include receiving modular housing deliveries within the hours stated above, Sunday starting at 10:00PM through Friday morning at 6:00AM. In order to ensure the safety and well-being of residents, along with those involved with the project, we will be taking numerous mitigating steps. These procedures will include, but are not limited to:

- Incorporating traffic control/flagging to increase efficiency in receiving deliveries.
- Receiving units in bulk to minimize activity.
- Limiting power tool usage.

In addition to a 24-hour contact (provided above), we are designating two Cahill employees as business hour contacts:

Eddie Montoya (Superintendent) – (510) 734-3829

Eli Brown (Superintendent) – (401) 258-1534

I want to make certain that this letter finds you in ample time to pose any questions or concerns. Please do not hesitate to reach out.

The project owners, Mercy Housing California and Episcopal Community Services of San Francisco, have engaged a consultant, Pati Boyle, patiboyle@comcast.net who can be reached during business hours (8 a.m. to 5 p.m. Monday through Friday) at 415-722-3584 to work with you if the night noise setting is causing you disturbance. **Please contact Cahill staff Tony Pellegrini (24 Hour Contact) at the number above for issues during the night noise event.**

Sincerely,

Tony Pellegrini
